

Sonoma 2nd Chance Wheat

An earlier release, using more traditional methods; including double distilling in their alembic pot still and maturation in casks that previously held their rye spirit, getting the most flavour from this subtle grain. 80% unmalted wheat and 20% malted rye are aged in a refill oak barrel, providing notes of toffee, vanilla, spicy fruit, butterscotch and orange peel.

Vol: 10cl | ABV: 47.1% | Type: Wheat Whiskey | Cask: American Oak
