

# Lindores Abbey Distillery Aqua Vitae

Lindores have managed to imaginatively recreate an inquisitively versatile spirit that dates back to 1494 and was produced at the old Lindores Abbey. The multi-award winning Aqua Vitae (water of life) is distilled in pot stills and then infused with a range of home-grown herbs and spices. Delicious in a long drink or as an alternative base for your favourite cocktail or winter warmer... Slainte Mhath!
